### ***International Mobilization Campaign for Asia: a program for the donation of equipment and services is in progress***

Schneider Electric's solidarity work includes a program for the donation of equipment and services to restore water and electricity networks to full working order within the framework of partnerships.

**To date, four partnership projects with three organizations** have been identified in Indonesia in conjunction with Elyo (US\$ 5,405), PLN Aceh (US\$ 330,000) and WHO/UNICEF (US\$ 36,400).

Other projects with budgets totaling US\$ 100,000 with Nurani Dunia and SOS Desa Tarunia are being finalized.

**A total budget of US\$ 1 million will be made available depending on local needs and the relevance of the programs developed.**

These contributions count toward the annual goal of US\$ 500,000 in donations of equipment and services, which Schneider Electric set for itself as part of its **new<sup>2</sup> corporate program**.
