## DSE'clic - load shedder for single-phase EDF electronic meter - 4 channels

15911

⚠ Discontinued on: Apr 5, 2018

⚠ Discontinued

### Main

|                           |                                                    |
|---------------------------|----------------------------------------------------|
| Range Of Product          | DuoLine                                            |
| Product Name              | DuoLine DSE'clic                                   |
| Product Or Component Type | Load shedder for single-phase EDF electronic meter |
| Device Short Name         | DSE'clic                                           |
| Poles Description         | 1P                                                 |
| Number Of Channels        | 4                                                  |

### Complementary

|                                |                                                            |
|--------------------------------|------------------------------------------------------------|
| [In] Rated Current             | 1 A                                                        |
| [Ue] Rated Operational Voltage | 230 V +/- 10 % AC                                          |
| Mounting Support               | 35 mm symmetrical DIN rail                                 |
| 9 Mm Pitches                   | 8                                                          |
| Connections - Terminals        | Screw terminal 2, cable cross section: 2.5 mm <sup>2</sup> |
| Height                         | 81 mm                                                      |
| Width                          | 72 mm                                                      |
| Depth                          | 65.5 mm                                                    |
| Net Weight                     | 0.2 kg                                                     |

### Environment

|                                               |       |
|-----------------------------------------------|-------|
| Maximum Ambient Air Temperature For Operation | 50 °C |
|-----------------------------------------------|-------|

### Packing Units

|                              |          |
|------------------------------|----------|
| Unit Type Of Package 1       | PCE      |
| Number Of Units In Package 1 | 1        |
| Package 1 Height             | 7.5 cm   |
| Package 1 Width              | 8 cm     |
| Package 1 Length             | 9 cm     |
| Package 1 Weight             | 0.253 kg |

### Contractual warranty

|          |           |
|----------|-----------|
| Warranty | 18 months |
|----------|-----------|
