

① To be discontinued

# BCPM power monitoring intermediate - 84 solid core 100 A - 18 mm CT spacing

BCPMB284S

- ! To be discontinued on: Dec 31, 2024
- 1 To be end-of-service on: Dec 31, 2032

## Main

| Range                     | PowerLogic  |  |
|---------------------------|---|--|
| Product Name              | PowerLogic BCPM   |  |
| Product Or Component Type | Multi-circuit energy meter  |  |
| Device Short Name         | ВСРМВ   |  |
| Model Type                | Intermediate  |  |
| Power Monitoring          | Basic instrumentation   |  |
| Energy Management         | Sub billing and cost allocation                                   |  |
| Device Application        | Sub billing   |  |
| Power Quality Analysis    | voltage sag and swell detection                                   |  |
| Type Of Measurement       | Voltage Current Frequency Active power Power factor Active energy |  |
| [Us] Rated Supply Voltage | 90277 V AC 50/60 Hz +/- 1 %                                       |  |
| Network Frequency         | 50 Hz<br>60 Hz  |  |

# Complementary

| <b>Current Transformer Input</b> | Solid core CT 100 A84 x  |
|----------------------------------|--|
| Update Time                      | 1.8 s  |
| Measurement Voltage              | 90277 V phase to neutral<br>150480 V phase to phase  |
| Measurement Accuracy             | Branch current 2 % 0.252 A Branch current 1 % 2100 A Mains current 3 % 1100 % Mains current 3 % 2100 % Voltage 1 % 90277 V |
| Sampling Rate                    | 256 samples/cycle  |
| Connection Pitch                 | 18 mm  |
| Provided Equipment               | 84 x current transformer<br>4 x cables   |
| Communication Port Protocol      | Modbus RTU   |
| Communication Port Support       | RS485  |

| Communication Of Data | Under voltage alarm     |
|-----------------------|-------------------------|
|                       | Over voltage alarm      |
|                       | Low-low current alarm   |
|                       | High current alarm      |
|                       | Low current alarm       |
|                       | High-high current alarm |

#### **Environment**

| Mounting Mode                       | Panel-mounted                                 |
|-------------------------------------|---|
| Mounting Support                    | Panel<br>Enclosure                            |
| Relative Humidity                   | 095 % at 060 °C                               |
| Ambient Air Temperature For Storage | -4070 °C                                      |
| Operating Altitude                  | 3000 m  |
| Standards                           | IEC 61036<br>EN 61010<br>ANSI C12.1<br>UL 508 |
| Product Certifications              | UL  |
| Width                               | 288 mm  |
| Height                              | 146 mm  |
| Net Weight                          | 1.5 kg  |

# **Packing Units**

| _                            |          |
|------------------------------|----------|
| Unit Type Of Package 1       | PCE      |
| Number Of Units In Package 1 | 1        |
| Package 1 Height             | 15.2 cm  |
| Package 1 Width              | 30.5 cm  |
| Package 1 Length             | 50.8 cm  |
| Package 1 Weight             | 4 591 ka |

#### **Sustainability**

Weee

California Proposition 65

**Green Premium<sup>TM</sup> label** is Schneider Electric's commitment to delivering products with best-inclass environmental performance. Green Premium promises compliance with the latest regulations, transparency on environmental impacts, as well as circular and low-CO<sub>2</sub> products.

**Guide to assessing product sustainability** is a white paper that clarifies global eco-label standards and how to interpret environmental declarations.
