Specifications

## Branch Circuit Power Monitoring, BCPM

CFIN-EMSBCPM

Training Objectives: Parameterized, communicate & Troubleshoot BCPM

### Main

|                   |                   |
|-------------------|-------------------|
| Training Category | Energy efficiency |
| Sub Category      | General knowledge |
| Training Type     | Led by instructor |
| Training Location | India             |
| Language          | English           |

### Complementary

|                    |              |
|--------------------|--------------|
| Competency Domains | Design       |
| Level Course       | Intermediate |
| Voltage Domain     | LV           |

### Packing Units

|                              |     |
|------------------------------|-----|
| Unit Type Of Package 1       | PCE |
| Number Of Units In Package 1 | 1   |

### Contact

|                              |                                                                                                                                    |
