## Stago - horizontal bend adjustable flat 60x330mm pre-galvanized

CSU36523302

 **Discontinued on:** Jan 3, 2022

 **Discontinued**

**Important message:** This product belongs to Cable Support which is no longer commercialized by Schneider Electric. As per the first of January 2022 the commercialization is managed by Wibe-Group, Please follow the link [www.wibe-group.com](http://www.wibe-group.com) for further details.

### Main

|                           |                  |
|---------------------------|------------------|
| Range Of Product          | Stago            |
| Range                     | Stago            |
| Product Or Component Type | Bend             |
| Device Application        | Cable management |

### Complementary

|                                 |                                     |
|---------------------------------|-------------------------------------|
| Operating Angle                 | 90 °                                |
| Direction Change Type           | Horizontal                          |
| Inner Radius                    | 100 mm                              |
| Adjustment                      | Foldable                            |
| Product Destination             | Cable tray KG281 H= 60 mm W= 330 mm |
| Fixing Mode                     | Screwless                           |
| Shape                           | Bended                              |
| Material With Surface Treatment | Stainless steel pre-galvanized      |
| Corrosion Class                 | C2                                  |
| Thickness                       | 1 mm                                |
| Height                          | 10 mm                               |
| Width                           | 820 mm                              |
| Depth                           | 439 mm                              |
| Net Weight                      | 1.076 kg / set of 1                 |

### Environment

|                   |   |
|-------------------|---|
| Mounting Location | Partly outdoor environment with low exposure to corrosion ware-houses and parking garages |
|-------------------|---|
