

### Main

|                           |                           |
|---------------------------|---------------------------|
| Range                     | Thorsman                  |
| Product name              | Thorsman Top-view 2.0 LED |
| Product or component type | Headlight                 |
| Light source              | COB LED 2 W               |

### Complementary

|                        |                                    |
|------------------------|------------------------------------|
| Type of installation   | Outdoor<br>Indoor                  |
| Output voltage         | 5 V DC 1 A                         |
| Bulb lifespan          | 50000 h                            |
| Colour rendering index | Ra=80                              |
| Illuminance            | 0.5 m : 300 lux<br>0.5 m : 500 lux |
| Material               | Plastic                            |
| Height                 | 105 mm                             |
| Width                  | 52 mm                              |
| Depth                  | 43 mm                              |
| Product weight         | 120 g                              |

### Environment

|                                       |                         |
|---------------------------------------|-------------------------|
| Environmental characteristic          | Waterproof<br>Dustproof |
| IP degree of protection               | IP65                    |
| IK degree of protection               | IK07                    |
| Quality labels                        | CE                      |
| Ambient air temperature for operation | -10...40 °C             |

### Offer Sustainability

|                        |   |
|------------------------|---|
| RoHS (date code: YYWW) | Compliant<br><a href="#">Schneider Electric declaration of conformity</a> |
| REACH                  | Reference not containing SVHC above the threshold                         |

Reference not containing SVHC above the threshold
