

# Multi9 - C60 UL489 - MCB - 3P - 3 A - D Curve - 480Y/277 V - 10 kA - tunnel ter

MGN61358

! Discontinued on: May 31, 2021

! Discontinued

#### Main

| Range                     | Multi9                                                                                                                                                                                                                |  |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Product Name              | Multi9 C60                                                                                                                                                                                                            |  |
| Product Or Component Type | Miniature circuit-breaker                                                                                                                                                                                             |  |
| Device Short Name         | C60 UL489                                                                                                                                                                                                             |  |
| Device Application        | Distribution                                                                                                                                                                                                          |  |
| Poles Description         | 3P                                                                                                                                                                                                                    |  |
| Number Of Protected Poles | 3                                                                                                                                                                                                                     |  |
| [In] Rated Current        | 3 A at 25 °C                                                                                                                                                                                                          |  |
| Network Type              | AC                                                                                                                                                                                                                    |  |
| Trip Unit Technology      | Thermal-magnetic                                                                                                                                                                                                      |  |
| Curve Code                | D                                                                                                                                                                                                                     |  |
| Breaking Capacity         | 10 kA AIR at 480Y/277 V AC conforming to UL 489 10 kA AIR at 480Y/277 V AC conforming to CSA C22.2 No 5.2 10 kA Icu at 480Y/277 V AC conforming to EN/IEC 60947-2 10 kA Icu at 480Y/277 V AC conforming to GB 14048.2 |  |
| Suitability For Isolation | Yes conforming to EN/IEC 60947-2                                                                                                                                                                                      |  |

#### Complementary

| Network Frequency                      | 50/60 Hz                              |
|----------------------------------------|---------------------------------------|
| [Ue] Rated Operational Voltage         | 480Y/277 V AC                         |
| Magnetic Tripping Limit                | 12 x In +/- 20 % AC                   |
| Limitation Class                       | 3 conforming to EN/IEC 60947-2        |
| [Ui] Rated Insulation Voltage          | 500 V AC conforming to EN/IEC 60947-2 |
| [Uimp] Rated Impulse Withstand Voltage | 6 kV conforming to EN/IEC 60947-2     |
| Contact Position Indicator             | Yes                                   |
| Control Type                           | Toggle                                |
| Local Signalling                       | ON/OFF indication                     |
| Mounting Mode                          | Clip-on                               |
| Mounting Support                       | DIN rail                              |
| 9 Mm Pitches                           | 6                                     |
| Height                                 | 141 mm                                |

| Width                    | 54 mm                                                                                                                                                                |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Depth                    | 68.7 mm                                                                                                                                                              |
| Net Weight               | 0.33 kg                                                                                                                                                              |
| Colour                   | Grey                                                                                                                                                                 |
| Mechanical Durability    | 20000 cycles                                                                                                                                                         |
| Electrical Durability    | 10000 cycles                                                                                                                                                         |
| Provision For Padlocking | Padlockable                                                                                                                                                          |
| Connections - Terminals  | Tunnel type terminal (top or bottom) - 1 cable(s) 11.5 mm² (AWG 18AWG 16) - rigid  Tunnel type terminal (top or bottom) - 2 cable(s) 11.5 mm² (AWG 18AWG 16) - rigid |
| Tightening Torque        | 0.8 N.m top or bottom                                                                                                                                                |

# **Environment**

| Standards                             | GB 14048.2<br>EN/IEC 60947-2<br>UL 489<br>CSA C22.2 No 5                      |

| Ip Degree Of Protection               | IP20 conforming to IEC 60529 IP40 (modular enclosure) conforming to IEC 60529 |
| Pollution Degree                      | 3 conforming to EN/IEC 60947-2                                                |
| Overvoltage Category                  | IV                                                                            |
| Tropicalisation                       | 2 conforming to IEC 60068-1                                                   |
| Relative Humidity                     | 95 % at 55 °C                                                                 |
| Operating Altitude                    | 2000 m                                                                        |
| Ambient Air Temperature For Operation | -3070 °C                                                                      |
| Ambient Air Temperature For Storage   | -4080 °C                                                                      |

# **Packing Units**

| Unit Type Of Package 1       | PCE       |
|------------------------------|-----------|
| Number Of Units In Package 1 | 1         |
| Package 1 Height             | 7.62 cm   |
| Package 1 Width              | 5.334 cm  |
| Package 1 Length             | 14.224 cm |
| Package 1 Weight             | 476.272 g |

# **Contractual warranty**

Warranty 18 months

### Sustainability

**Green Premium<sup>TM</sup> label** is Schneider Electric's commitment to delivering products with best-inclass environmental performance. Green Premium promises compliance with the latest regulations, transparency on environmental impacts, as well as circular and low-CO<sub>2</sub> products.

**Guide to assessing product sustainability** is a white paper that clarifies global eco-label standards and how to interpret environmental declarations.
