

New Standard Roof Design for NetShelter® SX

Schneider Electric is enhancing its roof design for NetShelter SX rack enclosures. The new roof offers improved air containment and enhanced usability for increasingly common high density applications. The enhanced roof design will seamlessly retrofit into any existing rack enclosures.

New part numbers for replacement roofs:

SKU	Description
AR7201A	600MM Wide x 1070MM Deep Black
AR7201AG	600MM Wide x 1070MM Deep Grey
AR7201AW	600MM Wide x 1070MM Deep White
AR7211A	600MM Wide x 1200MM Deep Black
AR7211AG	600MM Wide x 1200MM Deep Grey
AR7211AW	600MM Wide x 1200MM Deep White
AR7212A	750MM Wide x 1200MM Deep Black
AR7212AW	750MM Wide x 1200MM Deep White
AR7251A	750MM Wide x 1070MM Deep Black
AR7251AW	750MM Wide x 1070MM Deep White
AR7281AG	800MM Wide x 1070MM Deep Grey
AR7282AG	800MM Wide x 1200MM Deep Grey
