

## Jean-Pascal TRICOIRE

### Chairman and CEO

Jean-Pascal Tricoire, 55 years old, joined Schneider Electric in 1986. He was appointed to the Executive Committee in charge of the International Division end of 2001, became COO late in 2003, President & Chief Executive Officer in 2006 and has finally been named Chairman & CEO in April 2013.

His career at Schneider Electric has developed largely outside France in operational functions in Italy, China, South Africa and USA.

Jean-Pascal holds a degree in Electronic Engineering and a MBA.

Jean-Pascal has been President of the France-China Committee from 2009 to 2018.

He currently sits on the Global CEO Council of China's Premier Li Keqiang, as well as on the Advisory Board of the Mayors of Beijing and Shanghai. He is President of the Global Compact France since 2014, and a director of the worldwide board of the UN Global Compact. Jean-Pascal is also a UN #HeForShe Corporate IMPACT champion working with other heads of state, universities and companies to advance gender equality.

#### About Schneider Electric

Schneider Electric is leading the Digital Transformation of Energy Management and Automation in Homes, Buildings, Data Centers, Infrastructure and Industries.

With global presence in over 100 countries, Schneider is the undisputable leader in Power Management – Medium Voltage, Low Voltage and Secure Power, and in Automation Systems. We provide integrated efficiency solutions, combining energy, automation and software.

In our global Ecosystem, we collaborate with the largest Partner, Integrator and Developer Community on our Open Platform to deliver real-time control and operational efficiency.

We believe that great people and partners make Schneider a great company and that our commitment to Innovation, Diversity and Sustainability ensures that Life Is On everywhere, for everyone and at every moment.
